RECYCLED OR REMANUFACTURED CARTRIDGES

Except as provided for in Public Contract Code (PCC) § 12156(b), state agencies are prohibited from purchasing printer or duplication cartridges for which the manufacturer, wholesaler, distributor, retailer, or remanufacturer places restrictions on the recycling or remanufacturing of that cartridge by any other person. Restrictions on recycling or remanufacturing may include:

- Contract forbids recycling or remanufacturing

For further details on toner and ink requirements, see page 19 entitled “**Remanufactured Print Cartridges (Toner and Ink) Requirements.**”

HAZARDOUS SUBSTANCES

State Law (Labor Code (LC) § 6360 et seq.) requires employers to have information regarding hazardous or potentially hazardous substances in the workplace on file or readily available to them. In order to assist employers to comply with this requirement the Department of Industrial Relations has compiled a list of hazardous substances.

Some or all of the products listed on this CMAS appear on the Hazardous Substances List. CMAS supplier must provide Material Safety Data Sheet (MSDS) for these products when they are delivered to California Public Agencies. A Material Safety Data Sheet is supplied by the manufacturer of a substance and lists the manufacturer’s name and address, the name, chemical and physical properties of the material, and the potential hazards, safeguards and procedures to follow in case of accident or overexposure.

TOP 500 DELINQUENT TAXPAYERS

In accordance with Public Contract Code (PCC) 10295.4, and prior to placing an order for non-IT goods and/or services, **agencies must verify** with the Franchise Tax Board and the California Department of Tax and Fee Administration that this CMAS contractor’s name does not appear on either list of the 500 largest tax delinquencies pursuant to Revenue and Taxation Code 7063 or 19195. **See next paragraph for information.**

The Franchise Tax Board’s list of Top 500 Delinquent Taxpayers is available at www.ftb.ca.gov/about-ftb/newsroom/top-500-past-due-balances/index.html.

CALIFORNIA SELLER’S PERMIT

The CMAS contractor’s California Seller’s Permit Number is 235407040. Prior to placing an order with this company, agencies must verify that this permit is still valid at the California Department of Tax and Fee Administration website (cdtfa.ca.gov).

PURCHASING AUTHORITY DOLLAR THRESHOLD

Order limits for the purchase of goods and/or services is determined by the individual agency purchasing authority threshold.

No CMAS order may be executed by a State agency that exceeds that agency's purchasing authority threshold. State agencies with approved purchasing authority, along with their dollar thresholds can be obtained at the List of State Departments with Approved Purchasing Authority website (www.dgs.ca.gov/PD/Resources/Page-Content/Procurement-Division-Resources-List-Folder/List-of-State-Departments-with-Approved-Purchasing-Authority).

HOW TO USE CMAS

Agencies must adhere to the detailed requirements in the State Contracting Manual (SCM) when using CMAS. The requirements for the following bullets are in SCM, Volume 2, Chapter 6 (for non-IT), SCM, Volume 3, Chapter 6 (for IT), and SCM, Volume FISCal, Chapter 5 (FISCal):

- Develop an RFO, which includes a Scope of Work (SOW) and Bidder Declaration form. For information on the Bidder Declaration requirements, see SCM, Volume 2, Chapter 3, 3.5.7 and Volume 3, Chapter 3, 3.4.7.
- Search for potential CMAS contractors on the CMAS website (www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Acquisitions/California-Multiple-Award-Schedules) and select "Find a CMAS Contractor."
- Request offers from a minimum of 3 CMAS contractors including one small business (SB) and/or Disabled Veteran Business Enterprise (DVBE), if available, who are authorized to sell the products and/or services needed.
- If requesting offers from a certified DVBE, include the Disabled Veteran Business Enterprise Declarations form (Standard 843) in the RFO. This declaration must be completed and returned by the DVBE prime contractor and/or any DVBE subcontractors. (See SCM Volumes 2, 3, and FISCal, Chapter 3).
- This is not a bid transaction, so the small business preference, DVBE incentives, protest language, intent to award, evaluation criteria, advertising, etc., are not applicable.
- If less than 3 offers are received, State agencies must document their file with the reasons why the other suppliers did not respond with an offer.
- Assess the offers received using best value methodology, with cost as one of the criteria.
- Issue a Purchase Order to the selected CMAS contractor.
- For CMAS transactions under \$10,000, only one offer is required if the State agency can establish and document that the price is fair and reasonable. The fair and reasonable method can only be used for non-customizable purchases.

CMAS NO. 4-22-06-1007**

SPLITTING ORDERS

Splitting orders to avoid any monetary limitations is prohibited.

Do not circumvent normal procurement methods by splitting purchases into a series of delegated purchase orders, per PCC 10329.

Splitting a project into small projects to avoid either fiscal or procedural controls is prohibited, per State Administrative Manual (SAM) 4819.34.

ORDERING PROCEDURES

1. Purchase Orders

All Ordering Agency purchase order documents executed under this CMAS must contain the applicable CMAS number as show on page 1.

a. State Departments:

Standard 65 Purchase Documents – State departments not transacting in FISCal must use the Purchasing Authority Purchase Order (Standard 65) for purchase execution. An electronic version of the Standard 65 is available at the Department of General Services (DGS), Procurement Division (PD) website (www.dgsapps.dgs.ca.gov/osp/StatewideFormsWeb/Forms.aspx), select Standard (STD) Forms.

FISCAL Purchase Documents – State departments transacting in FISCal will follow the FISCal procurement and contracting procedures.

b. Local Government Agencies:

Local government agencies may use their own purchase order document for purchase execution.

The agency is required to complete and distribute the purchase order. For services, the agency shall modify the information contained on the order to include the service period (start and end date), and the monthly cost (or other intermittent cost), and any other information pertinent to the services. The cost for each line item must be included in the order, not just system totals.

The contractor must immediately reject purchase orders that are not accurate. Discrepancies are to be negotiated and incorporated into the purchase order prior to product delivery and service implementation.

2. Service and Delivery after CMAS Expiration

The purchase order must be issued before the CMAS expires. However, delivery of the products or completion of the services may be after the CMAS expires (unless otherwise specifically stated in the purchase order). Amending the purchase order to add quantity, time, or money is not possible if the CMAS expired.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
PREMIER V
CMAS NO. 4-22-06-1007**

3. Multiple CMAS Agreements on a Single Purchase Order

Agencies wishing to include multiple CMAS agreements on a single FISCal purchase order must adhere to the following guidelines:

- All CMAS must be for the same CMAS contractor.
- The purchase order must go to one contractor location.
- Enter the word “CMAS” in the space reserved for the Leveraged Procurement Agreement (LPA) number. The word “CMAS” signifies that the purchase order contains items from multiple CMAS agreements. The purchasing agency may only use one bill code.
- For each individual CMAS, the agency must identify and group together the CMAS number with the line items and subtotal per CMAS number (do not include tax in the subtotal), and sequentially identify each individual CMAS as Sub #1, Sub #2, Sub #3, etc. This facilitates accurate billing of administrative fees by the Procurement Division.
- The total of all items on the purchase order must not exceed the purchase order limit identified in the CMAS.
- Do not combine items from IT and non-IT CMAS agreements. An Information Technology CMAS begins with the number “3” and a non-IT CMAS begins with the number “4.” The purchase order limits are different for these CMAS agreements.

4. Amendments to State Agency's Purchase Orders

Agency purchase orders cannot be amended if the CMAS has expired.

SCM, Volumes 2 & 3, Chapter 6, 6.A5.0 and SCM, Volume FISCal, Chapter 5, 5.A4.0 provides the following direction regarding amendments to all types of LPA purchase orders:

Original orders, which include options for changes (e.g., quantity or time), that were evaluated and considered in the selection for award during the RFO process, may be amended consistent with the terms of the original order, provided that the original order allowed for amendments. If the original order did not evaluate options, then amendments are not allowed unless an NCB is approved for those amendments.

Amendments unique to non-IT services are covered in SCM, Volume 2, Chapter 6, 6.B2.9 and SCM, Volume FISCal, Chapter 5, 5.A4.1 as follows:

If the original contract permitted amendments, but did not specify the changes (e.g., quantity or time), it may be amended, per Public Contract Code (PCC) § 10335 (d)(1). Only a contract may be amended once under this exemption. The time shall not exceed one year, or add not more than 30% of the original order value and may not exceed \$250,000. If the original contract did not have language permitting amendments, the NCB process must be followed.

CMAS CONTRACTOR OWNERSHIP INFORMATION

The CMAS contractor is a certified SB enterprise. Their Office of Small Business and DVBE Services (OSDS) certification number 2026724 expires on 01/31/2024. They are also a certified DVBE, and their OSDS certification number 2026724 expires on 01/31/2024.

If this certification has expired, the current expiration date should be verified at Cal eProcure (caleprocure.ca.gov/pages/PublicSearch/supplier-search.aspx). The OSDS contact information can be found on the OSDS website (www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Office-of-Small-Business-and-Disabled-Veteran-Business-Enterprise/Certification-Program). Note that some companies have been assigned a new certification number, so use the company name and/or certification number when checking status on-line.

SMALL BUSINESS MUST BE CONSIDERED

Prior to placing orders under the CMAS program, State agencies shall whenever practicable first consider offers from small businesses that have established CMAS (GC 14846(b)). NOTE: DGS auditors will request substantiation of compliance with this requirement when agency files are reviewed.

CMAS Small Business and Disabled Veteran Partners lists (www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Acquisitions/California-Multiple-Award-Schedules) can be found on the CMAS website by selecting "Find a CMAS Contractor".

In response to our commitment to increase participation by small businesses, the Department of General Services waives the administrative fee (a fee charged to customer agencies to support the CMAS program) for orders to California certified small business enterprises.

SMALL BUSINESS/DVBE - TRACKING

State agencies are able to claim subcontracting dollars towards their SB or DVBE goals whenever the CMAS contractor subcontracts a commercially useful function to a certified SB or DVBE. The CMAS contractor will provide the ordering agency with the name of the SB or DVBE used and the dollar amount the ordering agency can apply towards its SB or DVBE goal.

SMALL BUSINESS/DVBE - SUBCONTRACTING

1. The amount an ordering agency can claim towards achieving its SB or DVBE goals is the dollar amount of the subcontract award made by the CMAS contractor to each SB or DVBE.
2. The CMAS contractor will provide an ordering agency with the following information at the time the order is quoted:
 - a. The CMAS contractor will state that, as the prime contractor, it shall be responsible for the overall execution of the fulfillment of the order.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
PREMIER V
CMAS NO. 4-22-06-1007**

- b. The CMAS contractor will indicate to the ordering agency how the order meets the SB or DVBE goal, as follows:
 - i. List the name of each company that is certified by the Office of Small Business and DVBE Services that it intends to subcontract a commercially useful function to; and
 - ii. Include the SB or DVBE certification number of each company listed, and attach a copy of each certification; and
 - iii. Indicate the dollar amount of each subcontract with a SB or DVBE that may be claimed by the ordering agency towards the SB or DVBE goal; and
 - iv. Indicate what commercially useful function the SB or DVBE subcontractor will be providing towards fulfillment of the order.
3. The ordering agency's purchase order must be addressed to the prime contractor, and the purchase order must reference the information provided by the prime contractor as outlined above.

WITHHOLD LANGUAGE (SB588)

Option 1 – Withhold Language

Upon delivery or completion of ordered goods or services for which the Contractor committed to DVBE subcontractor participation, state departments must require the Contractor to certify all the following:

1. The amount and percentage of work the Contractor committed to provide to one or more DVBEs under the requirements of the contract and the amount each DVBE received from the Contractor.
2. That all payments under the contract have been made to the DVBE. Upon request, the Contractor must provide proof of payment for the work.

In accordance with the Military and Veterans Code 999.7, state departments shall withhold \$10,000 from the final payment, or the full final payment if less than \$10,000, if the Contractor fails to meet the certification requirements identified above. State departments shall notify the Contractor of their failure to meet the certification requirements and give the Contractor an opportunity to comply with the certification requirements. If after 30 calendar days from the date of notice, the Contractor refuses to comply with the certification requirements, the state department shall permanently deduct \$10,000 from the final payment, or the full payment if less than \$10,000.

Option 2 – No Withhold Language

During the contract term and upon completion of the contract for which a DVBE subcontractor commitment was made, DGS-PD will require the Contractor to certify all participation commitments and payments under the contract have been made to the DVBE. Upon request by DGS-PD, the Contractor shall provide proof of payment for the work.

PRODUCT SUBSTITUTIONS

Substitution of Deliverables may not be tendered without advance written consent of the Buyer. The Contractor must offer an equivalent or newer model of the product from the same manufacturer at the same or lower price. Contractor cannot use any specification in lieu of those contained in the Contract without written consent from the Buyer.

NEW EQUIPMENT REQUIRED

The State will procure new equipment. All equipment must be new (or warranted as newly manufactured) and the latest model in current production. Used, shopworn, demonstrator, prototype, or discontinued models are not acceptable.

Where Federal Energy Management Program (FEMP) standards are available, all State agencies shall purchase only those products that meet the recommended standards. All products displaying the Energy Star label meet the FEMP standards.

SPECIAL MANUFACTURED GOODS

Any CMAS for goods to be manufactured by the CMAS contractor specifically for the State and not suitable for sale to others may require progress payments.

For a Non-IT goods CMAS, see the CMAS Non-IT Commodities Terms and Conditions, Provision 69, Progress Payments.

TRADE-IN EQUIPMENT

Trade-ins at open market price may be considered. The product description and trade-in allowance must be identified on the purchase order.

Agencies are required to adhere to SAM 3520 through 3520.6, Disposal of Personal Property and Surplus Personal Property, as applicable, when trade-ins are considered. A Property Survey Report, Standard 152, must be submitted for approval prior to disposition of any State-owned personal property, including general office furniture regardless of the acquisition value, or if the property was recorded or capitalized for accounting purposes.

STATE AGENCY BUY RECYCLED CAMPAIGN

State ordering agencies are required to report purchases made within the eleven product categories in the California Department of Resources Recycling and Recovery's State Agency Buy Recycled Campaign per PCC 12200 through 12217.

Contractor will be required to complete and return a Recycled-Content Certification form (www.calrecycle.ca.gov/contracts/forms) upon request by the state ordering agency.

NOT SPECIFICALLY PRICED ITEMS

The only time that open market/incidental, non-schedule items may be included in a CMAS order is when they fall under the parameters of the Not Specifically Priced (NSP) Items provision.

CMAS contractors must be authorized providers of the hardware, software and/or services they offer under the NSP Items provision.

Agency and CMAS contractor use of the NSP provision is subject to the following requirements:

1. Purchase orders containing only NSP items are prohibited.
2. A purchase order containing NSP items may be issued only if it results in the lowest overall alternative to the State.
3. NSP items shall be clearly identified in the order. Any product or service already specifically priced and included in the base schedule may not be identified as an NSP item.
4. NSP Installation Services: The CMAS contractor is fully responsible for all installation services performed under the CMAS. Product installations must be performed by manufacturer authorized personnel and meet manufacturer documented specifications. The prime contractor, as well as any subcontractors, must hold any certifications and/or licenses required for the project. The total dollar value of all installation services included in the purchase order cannot exceed the dollar value of the products included in the purchase order, nor can they exceed the NSP Maximum Order Limitation.
5. Maximum Order Limitation: For orders \$250,000, or less, the total dollar value of all NSP items included in a purchase order shall not exceed \$5,000. For orders exceeding \$250,000, and at the option of the contractor, the total dollar value of all NSP items in a purchase order shall not exceed 5% of the total cost of the order or \$25,000 whichever is lower.
6. An NSP item included in an order issued against a CMAS is subject to all of the terms and conditions set forth in the contract.
7. Trade-ins, upgrades, involving the swapping of boards, are permissible, where the contract makes specific provisions for this action. In those instances, where it is permitted, the purchase order must include the replacement item and a notation that the purchase involves the swapping of a board.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
PREMIER V
CMAS NO. 4-22-06-1007**

The following NSP items **are specifically excluded** from any order issued under this CMAS:

1. Items not intended for use in direct support of the priced items included in the same order. An NSP item must be subordinate to the specifically priced item that it is supporting. For example, a cable, which is not otherwise specifically priced in the base schedule, is subordinate to a specifically priced printer or facsimile machine and is eligible to be an NSP item subject to that cable meeting the remaining NSP requirements. However, a printer or facsimile machine, which is not otherwise specifically priced in the base schedule, is not subordinate to a specifically priced cable, and is not eligible to be an NSP item.
2. Supply type items, except for the minimum amount necessary to provide initial support to the priced items included in the same order.
3. Items that do not meet the Productive Use Requirements for information technology products, per SCM, Volume 3, Chapter 2, 2.B6.2 and SCM, Volume FISCal, Chapter 2, 2.E3.2.
4. Any other item or class of items specifically excluded from the scope of this CMAS.
5. Public Works components NOT incidental to the total purchase order amount.
6. Products or services the CMAS contractor is NOT factory authorized or otherwise certified or trained to provide.
7. Follow-on consultant services that were previously recommended or suggested by the same CMAS contractor.

The CMAS contractor is required to reject purchase orders containing NSP items that do not conform to the above requirements. The CMAS contractor will promptly notify the agency issuing the non-conforming order of its non-acceptance and the reasons for its non-acceptance.

STATE AND LOCAL GOVERNMENTS CAN USE CMAS

State and local government agency use of CMAS is optional. A local government is any city, county, city and county, district, or other local governmental body or corporation, including Universities of California, California State Universities, K-12 schools, and community colleges empowered to expend public funds. While the State makes this CMAS available, each local government agency should make its own determination whether the CMAS program is consistent with its procurement policies and regulations.

PCC 10298 allows any city, county, city and county, district, or other local governmental body or corporation empowered to expend public funds to contract with suppliers awarded CMAS without further competitive bidding.

See complete PCC 10298 language at (leginfo.legislature.ca.gov/faces/codes_displaySection.xhtml?lawCode=PCC§ionNum=10298).

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
PREMIER V
CMAS NO. 4-22-06-1007**

PCC 10299 allows any school district empowered to expend public funds to utilize CMAS without further competitive bidding.

See complete [PCC 10299](http://leginfo.legislature.ca.gov/faces/codes_displaySection.xhtml?lawCode=PCC§ionNum=10299) language at (leginfo.legislature.ca.gov/faces/codes_displaySection.xhtml?lawCode=PCC§ionNum=10299).

UPDATES AND/OR CHANGES

A CMAS supplement is not required for updates and/or changes once the update and/or change becomes effective for the base schedule, except as follows:

- A CMAS supplement is required when the CMAS is based on specific products and/or services from another contractor's multiple award contract and the contractor wants to add a new manufacturer's products and/or services.
- A CMAS supplement is required for new federal contract terms and conditions that constitute a material difference from existing contract terms and conditions. A material change has a potentially significant effect on the delivery, quantity or quality of items provided, the amount paid to the contractor or on the cost to the State.

SELF-DELETING BASE SCHEDULE TERMS AND CONDITIONS

Instructions, or terms and conditions that appear in the Special Items or other provisions of the base schedule and apply to the purchase, license, or rental (as applicable) of products or services by the US Government in the United States, and/or to any overseas location shall be self-deleting. (Example: "Examinations of Records" provision).

Federal regulations and standards, such as Federal Acquisition Regulation, Federal Information Resources Management Regulation, Federal Information Processing Standards, General Services Administration Regulation, or Federal Installment Payment Agreement shall be self-deleting. Federal blanket orders and small order procedures are not applicable.

ORDER OF PRECEDENCE

The CMAS Terms and Conditions takes precedence if there is a conflict between the terms and conditions of the contractor's base schedule, packaging, invoices, catalogs, brochures, technical data sheets or other documents (see CMAS Terms and Conditions, CONFLICT OF TERMS).

APPLICABLE CODES, POLICIES AND GUIDELINES

All California codes, policies, and guidelines are applicable. The use of CMAS does not reduce or relieve state agencies of their responsibility to meet statewide requirements regarding contracting or the procurement of goods or services. Most procurement and contract codes, policies, and guidelines are incorporated into CMAS agreements. Nonetheless, there is no guarantee that every possible requirement that pertains to all the different and unique State processes has been included.

CMAS NO. 4-22-06-1007**

PAYMENTS AND INVOICES

This CMAS contains prompt payment discounts. See the base schedule for the specific percentage of discount.

1. Payment Terms

Payment terms for this CMAS are net 45 days.

Payment will be made in accordance with the provisions of the California Prompt Payment Act, GC 927. Unless expressly exempted by statute, the Act requires State agencies to pay properly submitted, undisputed invoices not more than 45 days after (1) the date of acceptance of goods or performance of services; or (2) receipt of an undisputed invoice, whichever is later.

2. Payee Data Record (Standard 204)

State Agencies not transacting in FISCal, must obtain a copy of the Payee Data Record (Standard 204) in order to process payments. State Ordering Agencies must forward a copy of the Standard 204 to their accounting offices. Without the Standard 204, payment may be unnecessarily delayed. State Agencies should contact the CMAS contractor for copies of the Payee Data Record.

3. DGS Administrative and Incentive Fees

Orders from State Agencies:

DGS will bill each State agency directly an administrative fee for use of CMAS. The administrative fee should NOT be included in the order total or remitted before an invoice is received from DGS. This administrative fee is waived for CMAS purchase orders issued to California certified small businesses.

Orders from Local Government Agencies:

CMAS contractors, who are not California certified small businesses, are required to remit to DGS an incentive fee equal to a percentage of the total of all local government agency orders (excluding sales tax and shipping) placed against their CMAS.

The incentive fee is waived for CMAS purchase orders issued to California certified small businesses.

4. Contractor Invoices

Unless otherwise stipulated, the CMAS contractor must send their invoices to the agency address set forth in the purchase order. Invoices shall be submitted in triplicate and shall include the following:

- CMAS number
- Agency purchase order number
- Agency Bill Code (State Only)

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)
PREMIER V
CMAS NO. 4-22-06-1007**

- Line item number
- Unit price
- Extended line item price
- Invoice total

State sales tax and/or use tax shall be itemized separately and added to each invoice as applicable.

The company name on the CMAS, purchase order and invoice must match or the State Controller's Office will not approve payment.

5. Advance Payments

Advance payment is allowed for services only under limited, narrowly defined circumstances, i.e., between specific departments and certain types of non-profit organizations, or when paying another government agency (GC 11256 through 11263 and 11019).

It is NOT acceptable to pay in advance, except software maintenance and license fees, which are considered a subscription and may be paid in advance if a provision addressing payment in advance is included in the purchase order.

Software warranty upgrades and extensions may also be paid for in advance, one time.

6. Credit Card

The CMAS contractor accepts the State of California credit card (CAL-Card).

A purchase order is required even when the ordering department chooses to pay the CMAS contractor via the CAL-Card.

7. Leasing/Financing

California State Agencies are required to utilize the Golden State Financial Marketplace (GS SMart) program for all financing and leasing needs. California Local Government Agencies (counties, cities, K-12 school districts, community colleges, California State Universities, Universities of California, etc.) may utilize the GS SMart program for financing and leasing according to PCC 14937. The minimum dollar amount for Local Government Agency financing and leasing is \$100,000.

8. Lease/Purchase Analysis

State agencies must complete a Lease/Purchase Analysis (LPA) to determine best value when contemplating a lease/rental and retain a copy for future audit purposes (SAM 3710).

For short-term rental equipment, the lease/purchase analysis must be approved by DGS Office of legal Services.

The lease/purchase analysis for all other purchases must be approved by the Department of General Services, GS SMarT State Financial Marketplace. Buyers may contact the GS SMarT Administrator, Kris Bianchini via e-mail at kristopher.bianchini@dgs.ca.gov for further information.

9. Leasing

The State reserves the right to select the form of payment for all procurements, be it either an outright purchase with payment rendered directly by the State, or a financing/lease-purchase or operating lease via the State Financial Marketplace (GS SMarT and/or Lease SMarT). If payment is via the financial marketplace, the Supplier will invoice the State and the State will approve the invoice and the selected Lender/Lessor for all product listed on the State's procurement document will pay the supplier on behalf of the State.

Buyers may contact the GS SMarT Administrator, Kris Bianchini via e-mail at kristopher.bianchini@dgs.ca.gov for further information.

OBTAINING COPY OF ORIGINAL CMAS AND SUPPLEMENTS

A copy of a CMAS and supplements, if any, can be obtained at Cal eProcure (caleprocure.ca.gov). A complete CMAS consists of the following:

- CMAS cover pages (which includes the signature page, ordering instructions and special provisions, and any attachments or exhibits as prepared by the CMAS Unit)
- CMAS Terms and Conditions.
- Base schedule terms and conditions
- Product/service listing and prices
- Supplements, if applicable.

It is important for the agency to confirm that the required products, services, and prices are included in the CMAS and are at or below base schedule rates. To streamline substantiation that the needed items are in the base schedule, the agencies should ask the CMAS contractor to identify the specific pages from the base schedule that include the required products, services, and prices. Agencies should save these pages for their file documentation.

CONTRACTORS ACTING AS FISCAL AGENTS ARE PROHIBITED

When a subcontractor ultimately provides all of the products or performs all of the services that a CMAS contractor has agreed to provide, and the prime contractor only handles the invoicing of expenditures, then the prime contractor's role becomes that of a fiscal agent because it is merely administrative in nature and does not provide a Commercially Useful Function. It is unacceptable to use fiscal agents in this manner because the agency is paying unnecessary administrative costs.

AGENCY RESPONSIBILITY

Each agency is responsible for its own contracting program and purchasing decisions, including use of the CMAS program and associated outcomes.

This responsibility includes, but is not necessarily limited to, ensuring the necessity of the services, securing appropriate funding, complying with laws and policies, preparing the purchase order in a manner that safeguards the State's interests, obtaining required approvals, and documenting compliance with GC 19130.b (3) for outsourcing services.

It is the responsibility of each agency to consult as applicable with their legal staff and contracting offices for advice depending upon the scope or complexity of the purchase order.

If you do not have legal services available to you within your agency, DGS Office of Legal Services is available to provide services.

CONFLICT OF INTEREST

Agencies must evaluate the proposed purchase order to determine if there are any potential conflict of interest issues. See the CMAS Terms and Conditions, Conflict of Interest, for more information.

FEDERAL DEBARMENT

When federal funds are being expended, the agency is required to obtain (retain in file) a signed "Federal Debarment" certification from the CMAS contractor before the purchase order is issued.

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 29 CFR Part 98, Section 98.510, Participants; responsibilities. The regulations were published as Part VII of the May 26, 1988 Federal Register (pages 19160-19211).

CONTRACTOR TRAVEL

The Travel provision is not applicable to this CMAS.

LIQUIDATED DAMAGES FOR LATE DELIVERY

The value of the liquidated damages cannot be a penalty, must be mutually agreed upon by agency and contractor and included in the purchase order to be applicable.

ACCEPTANCE TESTING CRITERIA

If the agency wants to include acceptance testing for all newly installed technology systems, and individual equipment, and machines which are added or field modified (modification of a machine from one model to another) after a successful performance period, the test criteria must be included in the purchase order to be applicable.
